

Let our Automatic Giving Plan (AGP) simplify the giving process for you!

Here are some of the benefits of our automatic giving plan.

1. You'll save postage and check costs.
2. You'll save the time and hassle of writing checks and don't have to worry about forgetting.
3. MUP saves postage, printing and administrative costs -- and that means the missionary you support is better served.

Online Communities (OLC) is now live! Our new online program giving donors the opportunity to make online donations more easily, keep their own contact information current, make, change or cancel their own pledges, etc. is working well. The instructions below are still valid but if you want to do everything by email from the privacy of your own home, you can. Check it out at www.mup.org/olc.

Do I have control?

Absolutely! You select the form of your AGP, either an EFT directly from your bank account or our credit card program.

You select the day of the month for your gift – EFT users can choose the 2nd, 10th or 25th and credit card users have the options of the 5th, 10th, 15th, and 25th. You will have records of your gift: quarterly receipts and an end of year receipt for income tax purposes, and the amount will show on your bank or credit card statement. You may also opt to receive only an end of year receipt. Or you may sign up for e-receipts, in which case each time gifts are processed you will receive a receipt, unless you request one at the end of the year only. **For OLC use, please add donors@mup.org and the domains @mup.org and @gatiwa.com to your safe senders list.**

How do I make changes or cancel my participation?

You may change your gift amount, date of payment, add another missionary or project, or cancel the plan at any time by notifying our MUP office by phone, email, or written communication, or online through the OLC. If your missionary leaves our organization, we will automatically cancel your AGP.

Is it easy to start the Automatic Giving Plan?

Yes, you can start the AGP in just a few minutes by following these simple steps: (1) Complete the enrollment form, including your phone number and email address (if you have one); (2) Fill out the appropriate section of the authorization form and sign it. (3) Mail, fax, or email the completed form to MUP at the address shown, or (4) do it yourself online through OLC.

What credit cards do you accept?

You may use **VISA, MasterCard, Discover, or American Express**. Please note that the 4+% fee that

the banks charge us is passed on to the missionary or project being supported. If you have a credit card pledge set up, through the OLC you can set up a new pledge with new card information if your card changes or expires and cancel the previous pledge.

What if there is a problem processing my gift?

We will contact you by phone, email, or mail regarding any problems with your gift and remedy any complication as soon as possible. And we appreciate hearing from you if you move or have a change in phone number or email address so we can continue to send your receipts to the proper address. You can change the information yourself if you are a member of the OLC.

Are other ministry partners using the AGP?

Yes, in greater numbers all the time. Many ministry partners find the advantages of the Automatic Giving Plan benefit them immediately and permanently. Since we began offering the plan in 1996, we have had hundreds of partners use this plan.

May I use my own bank's bill paying service?

Some people would rather use their own bank's system and this works well for them. If you would rather use your own bank's bill paying service for gifts, please have them send the check to the address below. In the note or account number field, put your account number (found above your name on receipts) and the missionary or project code. An example would be **12345/ABCTH01**.

May I make a one-time or special gift?

You may use the AGP for special gifts or one-time gifts. If you wish to make a **non-tax-deductible** personal gift, please let us know when you call or send an email to donors@mup.org. Once your bank account or credit card information is in our system, you may call or email at any time if you wish to make another contribution using the information on file or use the OLC.

If you have any questions about these plans, or if you want to include additional amounts for any of our other missionaries or programs, you may call and talk to **Leslie Thompson, Donor Relations at the numbers in the box below**. We are happy to answer any questions you may have.
